Faisalabad Branch Council 2022-24

Seminar on

Shift from Monopoly to Competitive Power Market Regime

CPD committee of Faisalabad Branch Council is pleased to announce a seminar on **Shift from Monopoly to Competitive Power Market Regime** to be held on 10 May. Since the Govt of Pakistan has introduced major reforms in the Power Sector, monopoly of public sector utilities, including DISCOs and NTDC has ended. A new concept of Wholesale Electricity Market (CTBCM) has been introduced. Now, electricity can be generated, sold, supplied, distributed and traded by any eligible private entities.

Resource Person:

Assad Ullah Ch.

Former Director (Finance)
CPP-G, Former DG (MIRAD) IESCO

is a Fellow member of ICMA, seasoned trainer and power sector expert with over 22 years of experience in managing complex power purchase agreements, implementing market reforms, and ensuring regulatory compliance. In addition to his industry experience, Mr. Assad has served as a visiting faculty at ICMA Pakistan and many renowned business schools and organizations. He holds an MS in Finance from COMSATS, an MBA from UCP, a Bachelor's in Law from PU.

Who Should Attend:

- Industrial and commercial consumers
- Captive generators
- Strategic managers
- Legal, financial & energy consultants
- Investment firms & private equity players
