

Seminar on **Dare to lead in the Corporate World**

In today's rapidly changing business world, corporate leadership is the cornerstone of a successful organization and includes not only the ability of managers to give orders, but also critical skills such as team management, communication strategies, visioning and strategic decision-making.

The Technical Support & Practice Development (TSPD) Committee of ICMA, in collaboration with the Islamabad Branch Council (IBC) is organizing a Seminar on Dare to lead in the Corporate World which is aimed to create an understanding on the essential Skills required for Effective Leadership, Team Dynamics and Communication Strategies, amongst the participants. The seminar provides a lucrative opportunity to the participants to look at and gain an understanding on this important topic from the experts of the corporate sector.
