**DAWN NEWSPAPER – JANUARY 10, 2021**

The EXIM Bank of Pakistan (PAK EXIM) has been set up by the federal government with the objective of promoting expansion and diversification of the export base of Pakistan by providing short-term export credit facilities and long-term financing facilities for setting up export-oriented projects. The Bank will also provide guarantees, insurance and other supporting services. It will operate under the Export-Import Bank of Pakistan Act, 2020.

### EXCELLENT CAREER OPPORTUNITIES

PAK EXIM (through a third-party firm, A. F. Ferguson & Co., Chartered Accountants) is looking for outstanding professionals to form its senior executive management team to spearhead the development and growth of the organization into a world class export credit entity built on strong governance, risk management principles and priority on customer needs, providing the highest level of economic impact for Pakistan. As an ideal candidate you will be an out of box thinker and an effective strategist with excellent interpersonal and networking skills demonstrating creativity under pressure. You will have the ability to work independently and create goals for delivery in ambiguous, difficult or new situations while being an excellent leader and motivator for your team. Excellent written and oral communication skills as well as high computer literacy and inclination towards automation are essentials to provide our exporters the best delivery model. Above all, you will be motivated and passionate about the vision and mission of the Bank, with a deep desire to contribute to the overall success of PAK EXIM's mandate and to have a meaningful impact in the economic development of Pakistan.

#### What's in it for you?

Besides the satisfaction of building and leading one of the most important development organizations in Pakistan with a strong and impactful development mandate and the unique opportunity and ability to make a true difference in the lives of people and the trajectory and expansion of Pakistan's export base; you will be rewarded with a highly competitive salary and benefits package.

#### Interested?

If you think you meet the requirements for any of the following roles, please apply at the application portal <https://www.affco.com.pk/recruitment> latest by January 25th, 2020. All positions are based in Islamabad.

#### Group Head Finance

##### Position Summary

Oversee the Bank's financial planning, reporting and accounting functions ensuring that the accounting records and systems are maintained in accordance with internal policies, regulatory requirements, best practices, international accounting/financial reporting standards and other statutory requirements. Provide oversight and leadership for effectively running the treasury and legal functions of the Bank.

##### Key Requirements

- Chartered Accountant from a recognized body of professional accountants / Master's in accounting, finance or equivalent from a HEC recognized university;
- Minimum 15 years of related work experience in/with financial institutions with 5 years of leadership experience of overseeing financial planning and control in a leading financial institution in Pakistan
- Excellent knowledge of accounting standards, reporting frameworks, AAOIFI standards, accounting treatment of insurance operations, tax planning, regulations and statutory requirements with proven experience in developing and implementing financial controls, related policies and models
- Preferably, direct leadership experience in asset liability management, interest rate risk management, liquidity & funding management

Graduate Degree (16 years of education) in the relevant field, including engineering, economics, energy management, law, finance, accountancy, business administration and/ or professional accountants from a reputable university/ institution recognized/ accredited from HEC or from a foreign reputable university/ institution.
- ii. Ten (10) years' experience should be in a senior management leadership role preferably, in the Natural Gas/LNG sector.
- iii. Understanding of the energy landscape of Pakistan and dynamics of Natural Gas/ LNG sector specifically and energy sector generally with technical, legal, financial knowledge of this sector and its related infrastructure projects.
- iv. Demonstrable experience of delivering successful gas projects with National and International stakeholders.
- v. Ability to articulate clear strategic options, evaluate potential outcomes and plan effective implementation with a clear focus on delivery.
- vi. Knowledge and experience to implement best practices of corporate governance, risk management.
- vii. Strong ability to ensure operation efficiency, quality, service and cost effective management of resources.
- viii. Exceptional people management and relationship building skills; multicultural competence and the ability to influence a diverse range of stakeholders.
- ix. Excellent English written and verbal communication skills.
- x. Impeccable integrity and reputation.
- xi. Ability to lead teams from project conception to project commissioning stage.
- xii. Excellent negotiating skills since the job requires to interact with international players/ cross border partners and consultants.
- xiii. Analytical, intellectually robust, commercially astute and able to work with the Board and to deliver.

#### Instruction To Apply

- The Candidate shall be appointed in accordance with the applicable laws, including the Public Sector Companies (Appointment of CEO) Guidelines, 2015 and Public Sector Companies (Corporate Governance) Rules, 2013 (collectively, the "Guidelines") and must fulfill the Fit and Proper Criteria laid down in the Guidelines. Necessary details and application forms are available at our website [www.abacus-global.com/hro-md.php](http://www.abacus-global.com/hro-md.php)
- Candidates should ensure that Application Forms along with all required documents (as mentioned at our website) are submitted to us latest by **February 15, 2021**

#### Terms & Conditions

- Age should not be above 55 Years as at the date of application February 15, 2021.
- The position is based in Islamabad, but our Client reserves the right to relocate the candidate anywhere in Pakistan.
- Selected candidate will be offered a three (03) years contract (extendable and/or terminable in the sole opinion of our Client) with a market based compensation package and other perks and privileges commensurate with experience and the applicable laws.
- Qualified and experienced expatriate Pakistanis may also apply. Please note that the candidates applying from abroad may submit their applications and if any document is required on Pakistan stamp paper or where Pakistan authority verification is necessary, the same will be subsequently provided at the time when the candidate is in Pakistan and shortlisted for further review.
- In-service candidates should apply through proper channel.
- Only shortlisted candidates will be called for an interview; no TA/DA will be admissible for the interview unless otherwise decided by our Client.
- Our Client reserves the sole right and discretion to shortlist the candidates and/or terminate the process of selection of the Managing Director at any time without assigning any reason whatsoever.
- Please note that use of any influence during the selection process will immediately result in the disqualification of the candidate.

DAWN NEWSPAPER – JANUARY 31, 2021

## CAREER OPPORTUNITY

### CHIEF STRATEGY OFFICER

*Our client, a market leader in Pakistan with footprint across the country and a turnover of over a trillion rupees, seeks to appoint Chief Strategy Officer to lead the company's function and take it to greater heights in an environment which is both challenging and highly competitive. We are looking for an outstanding individual who is dynamic, focused and cognizant of changes in environment and technological advancements, has a hands-on approach, can build a team and lead from the front, has strong follow-up skills, and is driven by goals. The position will report to the CEO and will work very closely with all other functions laterally.*

#### **Key Responsibilities:**

- Assist the CEO in developing, long-term corporate strategies to make the organization sustainable having the competitive advantage and seeking stakeholders' concurrence.
- Monitor the changes in environment, technological development and identify opportunities within and outside the existing business.
- Own and drive the business planning process in the organization.
- Explore new business opportunities for value creation, execute existing and new corporate ventures and implement across the organization.
- Lead strategic due-diligence and conclude deal structures for viable propositions.
- Ensure successful business transformation and re-engineering outcomes with minimal impact to core business operations.
- Act as a key advisor on critical changes in the competitive landscape, global marketplace and external business environment.

#### **Education, Skills & Experience:**

- At least Master's Degree (minimum 16 years of education) from a renowned and HEC recognized university or institution/equivalent foreign institution in any or combination of the disciplines of Engineering, Marketing, Economics, Energy, Management, Finance/Accounting, Business Administration, Law and/or Professional Accountancy/Finance.
- Minimum 18 years of professional experience, preferably in a large national/multinational organization with at least seven years of related functional experience in a similar role at a senior equivalent position or one position below.
- Proven Financial & Analytical Acumen with attention to detail.
- Excellent Leadership, Team Building, Analytical, Strategic Thinking, Decision-making, Communication & Interpersonal skills & out-of-the-box orientation.
- Proven track record of preparing and implementing long-term strategic plans, mergers & acquisitions, new business development.
- The candidate should not be more than 55 years of age as of last date of submission of application.

#### **General:**

1. The employment is based in Karachi and is contractual for a fixed term period of three years and renewable based on performance and business need.
2. All selections will be based on merit; use of any means to influence the recruitment process will lead to disqualification of the candidate.
3. Any misrepresentation by the incumbent will lead to his/her disqualification or immediate removal from company services.
4. Only shortlisted candidates will be contacted and asked to sign the conflict of interest statement.

#### **STRICT CONFIDENTIALITY IS MAINTAINED AT ALL TIMES!**

If you have the required experience, educational qualification, leadership and management skills to take up the challenging assignment, you are requested to apply by **15<sup>th</sup> February, 2021**. Please email your CV in MS Word format to **strategy@enih.com** Only shortlisted candidates will be contacted.

## TransKarachi

Operator of the Karachi Breeze System

### Career Opportunities For Karachi BRT Red Line Project

*Female candidates are strongly encouraged to apply*

TransKarachi is a Public Sector company established under Section 42 of the Companies Act 2017 to carry out the project implementation, management, and maintenance of urban rapid transit projects in Karachi including the Karachi Bus Rapid Transit (BRT) Red Line Project, Pakistan's first Zero emission mass transit system. The project is sponsored by the Government of Sindh with financial assistance from the Asian Development Bank (ADB) and co-financiers, including the Asian Infrastructure Investment Bank (AIIB), the French Agency for Development (AFD), and the Green Climate Fund (GCF).

The Karachi BRT Red Line project will deliver a sustainable urban transport system that focuses on accessibility and people's mobility needs. It is anticipated that 320,000 passengers would travel daily on the buses of the BRT Red Line in the city. Red Line would deliver a zero-emission sustainable transportation system; BRT vehicles would be fueled by biomethane produced from agricultural waste, which is both cost-effective and environmentally friendly. It is also anticipated that direct employment to be generated via execution of the project will be 2,118 jobs, including 1,424 jobs for station services; and 615 jobs in bus operations.

The company is seeking dynamic, experienced, and self-driven professionals for the following positions:

S. No	Name of Post	Job Profile	Qualification and Experience	S. No	Name of Post	Job Profile	Qualification and Experience
13.	<b>Budget &amp; Accounts Officer</b> Position: 01	The Budget & Accounts Officer has responsibility for the budgeting and accounting functions of TransKarachi, he/ she will provide the necessary support to in ensuring that the financial affairs are conducted in a transparent and professional manner and financial records are in accordance with all applicable laws, rules, and regulations.	<b>Qualification:</b> CA / CMA / ACCA / MBA Finance. <b>EXPERIENCE:</b> At least 5 years of post-qualification, relevant 2 experiences in a similar role in a Construction firm and experience in Contract accounting is highly desirable. DAWN NEWSPAPER – FEBRUARY 14, 2021

## CAREER OPPORTUNITY

### CHIEF FINANCIAL OFFICER

*Our client, a market leader in Pakistan with nationwide footprint and a turnover of over a trillion rupees, seeks to appoint an experienced Chief Financial Officer having demonstrated, hands-on experience in directing financial aspects (audit, accounting and financial and corporate affairs functions) of the business and the company's overall financial strategic plans.*

The company is looking for a strategic leader who will enhance its financial well-being by planning the organization's financial strategy, assessing financial risks and opportunities, providing projections and accounting services, preparing growth plans, and directing the staff.

The CFO will drive the company's financial planning by analyzing the organization's financial strengths and weaknesses and proposing corrective actions. Therefore, applicants must be well-versed in all aspects of financial management ranging from simple accounting to broad investment and banking operations with the goal to protect the company's revenues and profits by reducing expenditure to achieve full financial control and sustainable growth.

The position will report directly to the CEO and work very closely with all other functions laterally.

#### Key Responsibilities:

- Plan, implement, manage and run all finance activities of the company such as, business planning, budgeting, forecasting, negotiations, evaluating trends, establishing controls, evaluating financial KPIs and managing statutory compliance and relationship with stakeholders.
- Provide strategic recommendations to the CEO and members of the executive management team on long-term business and financial planning and implementation including mergers/acquisitions and consolidation of existing businesses.
- Be responsible for Governance and Control as first line of defence, ensure that robust governance structures are established to manage day-to-day operations within the charter approved by Board/Group policies and procedures.
- Contribute to the development of the company's financial strategy across all areas of the business by providing financial analysis and guidance on all activities, plans, targets and business drivers.
- Lead the development and use of best practices, policies, and tools that ensure a well-controlled yet flexible organization with strong fiscal management, project management, cross-team communications, and workflows.
- Maximize the company's financial performance across every department by providing support to business units to achieve organizational targets.
- Manage the processes for Financial Forecasting, Budgets, and oversee preparation of all Financial Reports.
- Provide Leadership and Direction to Finance and Accounting Teams. Instill Group Dynamics and Teamwork through Coaching and Mentorship, Nurture Talent to Create Future Leaders.
- Upgrade and Modernize the company's finance IT system. Review and overhaul systems and procedures with a keen eye for continuous improvement through automation and digitization for revenue generation considering economic trends and internal operations. Identify areas of cost reduction through process improvement.
- Review and develop controls, policies and procedures to assess financial implications and related risk/return relationships.
- Ensure compliance with applicable laws, rules and the company's policies.

#### Education, Skills and Experience

- Member of a recognized body of professional accountants, local or international.
- Minimum 18 years of professional experience, preferably in a large national/multinational organization with at least seven years of related functional experience in a similar role at a senior equivalent position or one position below and/or current C-Suite experience.
- Excellent Team Building, Analytical, and Decision Making Skills.
- Proven Experience with IFRS, Tax, New Accounting Principles and Auditing procedures.
- Excellent Communication, Leadership, and Management Skills.
- Proven Ability to Motivate Teams and Multitask.
- Detail-oriented, Proactive Problem Solver and able to think Out of the Box.
- Highly Motivated and Self-starter with a Continuous Improvement Mindset and Customer Service Focus.
- The candidate should not be more than 55 years of age as of last date of submission of application.

#### General

1. The employment is based in Karachi and is contractual for a fixed term period of three years and renewable based on performance and business need.
2. All selections will be based on merit; use of any means to influence the recruitment process will lead to disqualification of the candidate.
3. Any misrepresentation by the incumbent will lead to his/her disqualification or immediate removal from company services.
4. Only shortlisted candidates will be contacted and asked to sign the conflict of interest statement.

#### STRICT CONFIDENTIALITY IS MAINTAINED AT ALL TIMES!

If you have the required experience, educational qualification, leadership and management skills to take up the challenging assignment, you are requested to apply by **1<sup>st</sup> March, 2021**. Please email your CV in MS Word format to [cfo7@enih.com](mailto:cfo7@enih.com).

DAILY DAWN – MAY 23, 2021

## CAREER OPPORTUNITY

One of the largest and most prestigious commercial bank, having a vast nationwide network of branches is looking for dynamic and challenge oriented professional with proven track record in the area of **Risk Management** for the position to be based at Karachi:

The individuals who fulfill the below basic eligibility criteria may apply for the following position:-

### CHIEF RISK OFFICER

Reporting to the President, the Chief Risk Officer (CRO) will act as a catalyst for transformation in a challenging environment in the areas of Credit and Risk Management. The incumbent will be a member of various committees of the Bank that are chaired by the President/CEO and will primarily be responsible to supervise the totality of the risk functions in the Bank including credit as well as all other enterprise wide risks such as market and liquidity risk, operational risk, fraud, cross border and others such as legal and reputational risk.

More specifically she/he will set up risk measures and limits for various Business Lines and monitoring their performance; serve as the convener of the Board Risk Committee (BRC); Enterprise Risk Committee (ERC) meetings; identify, develop and review overall Risk Management policy, Internal Capital Adequacy Assessment Process (ICAAP) and approval of the enterprise wide risk governance framework; develop and implement policy framework of Information Security and Fraud Risk Management, Risk Appetite framework including RAROC, allocation of capital and setting of capital adequacy goals; develop and implement BASEL III+ road map in accordance with SBP guidelines and establish systems / models that quantify the risk profile of the Bank.

The CRO will also formulate and review credit and risk policies and procedures and communicate the same with the approval of BoD where required; oversee all risk management activities related to pursuance for under litigation / stuck-up accounts / recovery as per Bank's Policy; ensure effective portfolio risk management across the franchise; ensure compliance of credit related Banking Laws, Regulations, Banking instructions and procedures, maintenance of files and other records, rectification of audit irregularities and their non-recurrence.

The ideal candidate would at least be a graduate from reputable HEC recognized University/Institute. Candidates having Master's degree in Business Administration, Accounting, Finance or equivalent will be preferred.

or Certification relevant to Risk Management will be an added advantage. The candidate should be a professional who possesses extensive and in-depth knowledge of risk management and FI's business activities along with relevant competencies, qualifications, certification and technical skill with at least 15 years of working experience in the field of Risk Management in the financial industry including 05 years of relevant experience at senior level / leadership role in Risk Management.

**Assessment Interview(s)** • Only shortlisted applicants strictly meeting the above-mentioned basic eligibility criteria will be invited for panel interview(s).

**Employment Type** • The employment will be on contractual basis, for three years which may be renewed on discretion of the Management. selected candidates will be offered compensation package and other benefits as per Bank's Policy / rules.

Interested candidates may visit website [www.sidathyder.com.pk/careers](http://www.sidathyder.com.pk/careers) and apply on-line within 10 days from the date of publication of this advertisement as per given instructions.

Applications received after due date will not be considered in any case. No TA/DA will be admissible for interview.

**(We are an equal opportunity employer)**

**Women, minorities and differently-abled persons are encouraged to apply.**

## SUKKUR ELECTRIC POWER SUPPLY COMPANY

### APPLICATIONS ARE INVITED FOR THE POSITION OF DIRECTOR GENERAL

#### MARKET IMPLEMENTATION & REGULATORY AFFAIRS DEPARTMENT (MIRAD) IN SEPCO, SUKKUR

SEPCO is a Govt. owned Power Company mandated under its license to provide electricity to customers in upper Sindh. SEPCO has created a new department Market Implementation & Regulatory Affairs Department (MIRAD). This Department will be headed by a Director General MIRAD. The company intends to hire a dynamic personality for the post of **DIRECTOR GENERAL**. This position will provide leadership and direction to company for implementation of respective actions for the development of competitive electricity market in Pakistan and its operations afterwards. The MIRAD functions include bilateral power purchase contract agreement, legal and regulatory affairs, billing and settlement with market operators, demand forecasting and transmission planning. The department will be an interface between SEPCO and Competitive Trading Bilateral Contract Market (CTBCM).

#### AREA OF RESPONSIBILITY

The incumbent will be hired as Director General who will head the new Market Implementation and Regulatory Affairs Department (MIRAD) and will work with Senior Management and support Board of Directors in taking decisions during implementation and operationalization of the Electricity Market.

The position will act as a bulwark against the risks associated with the new market structure and will provide leadership and direction for the implementation of the actions required for the implementation and operationalization of the electricity market on behalf of SEPCO.

The position will ensure that sections / sub departments under its domain are fully equipped with the necessary infrastructure and tools required, besides adequate training and capacity building of the relevant staff with specialized knowledge, skills, expertise and competencies to, *inter alia*, administer the market operations of the new department. DG MIRAD will assist in hiring and leading a team of 15—20 personnel consisting of Managers, Deputy Managers, Assistant Managers as well as the support staff.

The DG MIRAD will lead, manage and coordinate, internally (with SEPCO) and externally (with other entities such as CPPA, NEPRA, PPIB and other DISCOs etc.), the activities relating to the electricity market.

Main responsibilities of the position include the following but are not limited to:

- o Leading day to day functions of MIRAD.
- o Overseeing the implementation of SEPCO's actions with reference to CTBCM implementation road map.
- o Ensuring compliance of the regulatory directions pursuant to the electricity market capacity obligations of SEPCO are met.
- o Leading contract negotiations and overseeing administration of the credit cover.
- o Facilitating SEPCO in the dispute resolution pertaining to the market contracts.
- o Overseeing the preparation of project documents and leading the preparation of Strategic Business Plan for SEPCO through close liaison with senior management and frequent interaction with SEPCO Board.
- o Overseeing Demand Forecasting and Transmission Planning activities within SEPCO to ensure smooth functioning of the market.
- o Preparing/facilitating finance and tariff department in filing and following up tariff petitions and all related documentation in a timely manner to ensure commercial viability of SEPCO and ensuring that the market related aspects are covered in the revenue requirements.
- o Facilitate the finance department in calculation and management of credit cover / guarantees.
- o Participating in all regular regulatory hearings, workshops and meetings with the Government, NEPRA, CPPA, other licensees and power sector entities with regards to the implementation and operations of the competitive electricity market to represent the views of the SEPCO on such platforms.

#### QUALIFICATION, EXPERIENCE

**Qualification:** Candidate should have a Bachelor's Degree in Electrical Engineering (Power) **AND** Master's Degree in Business Administration. Qualification in Finance or Marketing or Law from reputable HEC recognized universities and / or ██████████ will be an added advantage.

**Experience:** Minimum 15 years of total experience including at least 10 years of experience in power or related sectors. The candidate should possess strong knowledge of the technical, commercial and financial matters of the utility business / power sector along with regulatory affairs, contract management and legal issues.

The candidate with sound knowledge / experience of competitive electricity markets will have an added advantage.

The candidate must demonstrate leadership, excellent communication and interpersonal skills, team building and management experience of running new establishments at senior level from base.

The candidate must be able to independently handle the challenging situations of market identifying the best opportunities keeping in view interest of SEPCO.

**REMUNERATION:** Market-based competitive salary plus benefits.

**AGE LIMIT:** Upto 55 years at the time of application.

#### NOTICE

- a. Only shortlisted candidates will be called for interview.
- b. SEPCO is an equal opportunity employer.
- c. Incomplete applications will not be considered.
- d. Deadline for submission of applications is **05-07-2021**.
- e. SEPCO reserves the right to withhold or cancel the whole recruitment process at any stage without assigning any reason.
- f. Candidates working in Govt / semi-Govt / autonomous public organizations are required to mention it clearly. NOC from parent department / organization should be attached.
- g. The above mentioned position is purely contractual in nature, non-pensionable, no long-term benefit and shall not be converted into permanent position at any stage.
- h. No TA / DA is admissible.

#### HOW TO APPLY

Application should be submitted online at [www.pitc.com.pk/sepc0-j0bs](http://www.pitc.com.pk/sepc0-j0bs) including detailed CV. No application will be accepted by any other means i.e. by post or courier.

## SUKKUR ELECTRIC POWER SUPPLY COMPANY

### APPLICATIONS ARE INVITED FOR THE POSITION OF DIRECTOR GENERAL

#### MARKET IMPLEMENTATION & REGULATORY AFFAIRS DEPARTMENT (MIRAD) IN SEPCO, SUKKUR

SEPCO is a Govt. owned Power Company mandated under its license to provide electricity to customers in upper Sindh. SEPCO has created a new department Market Implementation & Regulatory Affairs Department (MIRAD). This Department will be headed by a Director General MIRAD. The company intends to hire a dynamic personality for the post of **DIRECTOR GENERAL**. This position will provide leadership and direction to company for implementation of respective actions for the development of competitive electricity market in Pakistan and its operations afterwards. The MIRAD functions include bilateral power purchase contract agreement, legal and regulatory affairs, billing and settlement with market operators, demand forecasting and transmission planning. The department will be an interface between SEPCO and Competitive Trading Bilateral Contract Market (CTBCM).

#### AREA OF RESPONSIBILITY

The incumbent will be hired as Director General who will head the new Market Implementation and Regulatory Affairs Department (MIRAD) and will work with Senior Management and support Board of Directors in taking decisions during implementation and operationalization of the Electricity Market.

The position will act as a bulwark against the risks associated with the new market structure and will provide leadership and direction for the implementation of the actions required for the implementation and operationalization of the electricity market on behalf of SEPCO.

The position will ensure that sections / sub departments under its domain are fully equipped with the necessary infrastructure and tools required, besides adequate training and capacity building of the relevant staff with specialized knowledge, skills, expertise and competencies to, *inter alia*, administer the market operations of the new department. DG MIRAD will assist in hiring and leading a team of 15—20 personnel consisting of Managers, Deputy Managers, Assistant Managers as well as the support staff.

The DG MIRAD will lead, manage and coordinate, internally (with SEPCO) and externally (with other entities such as CPPA, NEPRA, PPIB and other DISCOs etc.), the activities relating to the electricity market.

Main responsibilities of the position include the following but are not limited to:

- o Leading day to day functions of MIRAD.
- o Overseeing the implementation of SEPCO's actions with reference to CTBCM implementation road map.
- o Ensuring compliance of the regulatory directions pursuant to the electricity market capacity obligations of SEPCO are met.
- o Leading contract negotiations and overseeing administration of the credit cover.
- o Facilitating SEPCO in the dispute resolution pertaining to the market contracts.
- o Overseeing the preparation of project documents and leading the preparation of Strategic Business Plan for SEPCO through close liaison with senior management and frequent interaction with SEPCO Board.
- o Overseeing Demand Forecasting and Transmission Planning activities within SEPCO to ensure smooth functioning of the market.
- o Preparing/facilitating finance and tariff department in filing and following up tariff petitions and all related documentation in a timely manner to ensure commercial viability of SEPCO and ensuring that the market related aspects are covered in the revenue requirements.
- o Facilitate the finance department in calculation and management of credit cover / guarantees.
- o Participating in all regular regulatory hearings, workshops and meetings with the Government, NEPRA, CPPA, other licensees and power sector entities with regards to the implementation and operations of the competitive electricity market to represent the views of the SEPCO on such platforms.

#### QUALIFICATION, EXPERIENCE

**Qualification:** Candidate should have a Bachelor's Degree in Electrical Engineering (Power) **AND** Master's Degree in Business Administration. Qualification in Finance or Marketing or Law from reputable HEC recognized universities and / or ██████████ will be an added advantage.

**Experience:** Minimum 15 years of total experience including at least 10 years of experience in power or related sectors. The candidate should possess strong knowledge of the technical, commercial and financial matters of the utility business / power sector along with regulatory affairs, contract management and legal issues.

The candidate with sound knowledge / experience of competitive electricity markets will have an added advantage.

The candidate must demonstrate leadership, excellent communication and interpersonal skills, team building and management experience of running new establishments at senior level from base.

The candidate must be able to independently handle the challenging situations of market identifying the best opportunities keeping in view interest of SEPCO.

**REMUNERATION:** Market-based competitive salary plus benefits.

**AGE LIMIT:** Upto 55 years at the time of application.

#### NOTICE

- a. Only shortlisted candidates will be called for interview.
- b. SEPCO is an equal opportunity employer.
- c. Incomplete applications will not be considered.
- d. Deadline for submission of applications is **05-07-2021**.
- e. SEPCO reserves the right to withhold or cancel the whole recruitment process at any stage without assigning any reason.
- f. Candidates working in Govt / semi-Govt / autonomous public organizations are required to mention it clearly. NOC from parent department / organization should be attached.
- g. The above mentioned position is purely contractual in nature, non-pensionable, no long-term benefit and shall not be converted into permanent position at any stage.
- h. No TA / DA is admissible.

#### HOW TO APPLY

Application should be submitted online at [www.pitc.com.pk/sepc0-j0bs](http://www.pitc.com.pk/sepc0-j0bs) including detailed CV. No application will be accepted by any other means i.e. by post or courier.

### ROZNAMA DUNYA – JULY 30, 2021

## Reshaping Pakistan's Tech Future

**About STZA**  
Special Technology Zones Authority (STZA) has been set up by the Federal Government with a mandate to provide world-class digital and physical infrastructure through setting up Special Technology Zones (STZs) across the country and putting Pakistan on global technology radar.

**Who are we looking for?**  
At STZA, we believe in our people, invest in them, and give them the autonomy to grow and thrive in a fast-paced, dynamic, and agile state authority. We are always on the lookout for visionaries, out-of-the-box thinkers, disruptors, dreamers, and doers. We need positive people who will bring their talent and energy to challenge the status quo, push the boundaries for what's possible, conceive the extraordinary, and inspire others to join the journey to a tech-driven Pakistan.

**Interested?**  
If you are passionate about the cause of national development and fulfil our requirements, please apply with your Cover Letter and Résumé at [hr.stza@gmail.com](mailto:hr.stza@gmail.com) with "Job Title" and "Job Code" in the "Subject" of the Email. You can also choose to mail your application to the Special Technology Zones Authority Office, 4th floor, Prime Minister's Office, Constitution Avenue, G-5, Islamabad, Pakistan.

**Apply within 7 days from publication of this advertisement.**  
For full job descriptions, please visit [www.stza.gov.pk/careers/](http://www.stza.gov.pk/careers/). Only shortlisted applicants will be contacted by the STZA Office.

<sup>(1)</sup> A highly competitive salary and benefits package will be provided.

---

**Job: Senior Manager Finance Operations**  
Job Code: ISB-A/0721/SFO/M-3  
Maximum Age: 40 Years  
Level/Grade: Expert/Senior Manager  
Job Reports to: Director Finance (Operations)

**Overview:** This role ensures effective management and controls pertaining to STZA's finance and account operations including automation of the Finance function. Develops financial and accounting policies and guidelines to meet the requirements of governance, financial/accounting accuracy, and financial risk mitigation.

**Key Responsibilities:**

- Document and manage financial and accounting policies and procedures while ensuring accuracy of financial and accounting reports/information.

**WE ARE AN EQUAL OPPORTUNITY EMPLOYER**

**DAILY DAWN - AUGUST 1, 2021**

**Pakistan Petroleum Limited**

## On-job Training Programme

Pakistan Petroleum Limited is a frontline player in the hydrocarbon sector for over seven decades with consistent track record in youth development. As part of its commitment for capacity building of young professionals, PPL is pleased to offer on- job training opportunity as Trainee through a 2-year contract.

Applicants meeting standard eligibility criteria mentioned below will be required to appear for a written test conducted by National Testing Service (NTS) in Karachi, Lahore, Islamabad, Quetta & Peshawar. Test date will be announced by NTS on their website.

### Standard Eligibility Criteria

- Local or foreign qualified Pakistani nationals with a bachelor's or master's degree (minimum 16 years of education) or equivalent, in specific disciplines/ categories as stated below, from a reputable institution recognized by the Higher Education Commission of Pakistan
- Maximum age is 28 years on the date of advertisement
- Has obtained throughout first division (60 percent and above) in the academic programmes from matriculation (or equivalent) and above
- Candidates, who have graduated during the last two years, from the date of advertisement, with or without post- qualification experience
- Candidates who have appeared in the final examination by June 2021, provided that they furnish a certificate issued by their academic institute to this effect. However, such provisionally selected applicants can only be inducted as Trainee after they have cleared their final examinations and submitted a provisional report card meeting required achievement criteria

Candidates meeting the above criteria are eligible to take the test relevant to their category/ qualification as per details given below:

Disciplines	Categories	Number of Positions	Qualification (Minimum 16 years of education)	NTS Test Type
Support Services	Finance	3	MBA/ BSc/ BS/ BBA (or equivalent) in Finance/ ACCA/ CIMA	

### How To Apply?

Candidates meeting the above standard eligibility criteria may register themselves with NTS by paying a non-refundable fee (candidates will pay 50 percent fee and the remaining 50 percent will be borne by the company) as per prescribed rates latest by August 16, 2021.

Applications sent directly to PPL in contravention of prescribed procedure will not be entertained.

For registration, please visit [www.nts.org.pk](http://www.nts.org.pk)

Information on application procedure is also available on PPL website at: <https://www.ppl.com.pk/content/capacity-building-for-youth>

### Selection Procedure

NTS score of minimum 60 percent is a prerequisite for selection. However, securing 60 percent marks in NTS test does not automatically entitle a candidate for further consideration. The following steps will be taken for selection of candidates:

Step 1: Top 3 candidates as per the merit list against each position, securing minimum required passing marks (60 percent and above) in NTS test will be shortlisted

Step 2: Shortlisted candidates will undergo psychometric assessment followed by panel interviews

Step 3: Top 30 candidates (1 against each advertised position) selected on the basis of equal weightage of 60 percent and above each in academic score, NTS test scores and interview performance, will be offered two-year on- job training, subject to medical and security clearance and verification of submitted documents

In case candidates do not meet minimum score requirement of 60 percent in NTS test in a particular discipline/ category or do not qualify internal assessment, the position(s) will remain vacant.

### Disclaimer

The two-year on-job-training programme does not constitute an employer-employee relationship and there is no obligation on the company to offer regular employment to Trainees on completion of the contract period.

## THE NEWS – OCTOBER 24, 2021

### NATIONAL SKILLS UNIVERSITY, ISLAMABAD Faiz Ahmed Faiz Road, Sector H-8/1, Islamabad

## JOB OPPORTUNITIES

The National Skills University (NSU) Islamabad is the first federal public sector University dedicated to training Pakistan's youth in the 21st-century skills and knowledge. Notably, NSU is the only University in Pakistan recognized by the UNESCO International Center for Technical and Vocational Education and Training. Its vision is to be a premier institution for skill-based technical education, focusing on excellence and economic empowerment of the youth. This institution's mission is to offer innovative and demand-based skilling and reskilling programs, certificates, diplomas, and degrees.

The University has launched six B.S. programs in Fall 2021. We are currently hiring highly motivated faculty and staff devoted to imparting skills, abilities, and knowledge through unique teaching methodologies. The NSU is committed to producing a workforce to take on the challenges and tasks of a technology-driven world, focusing on human-centric disciplines while keeping the professional and ethical standards in practice worldwide. Its curriculum will reflect the needs and aspirations of tomorrow's workplace.

The initial appointment at the NSU will be under the project "Up-gradation of National Institute of Science & Technical Education (NISTE) Islamabad into Skill University (Part-1)" for one year. Candidates will be evaluated bi-annually, and those with satisfactory performance may be allowed to continue. These positions are likely to become permanent through the approval of university statutory bodies. However, incumbents will have an opportunity to get regularized based on their performance and accomplishments assessed by the NSU Selection Board.

#### NON-TEACHING POSITIONS

## C-LEVEL CAREER OPPORTUNITIES PAKISTAN SOFTWARE EXPORT BOARD

Pakistan's IT and ITeS sector is experiencing phenomenal growth in export revenues and generating high paying employment opportunities for the talented youth of the country. Pakistan Software Export Board (PSEB), the Apex body of Ministry of IT and Telecommunication, is responsible for the development of IT and IT-enabled Services (ITeS) sector in Pakistan, ensuring accelerated exports growth, and brand building of Pakistan and its IT and ITeS industry globally.

PSEB requires services of dynamic and high caliber management leadership for the following C-Level posts. Employment will be on contract basis, initially for a period of three years.

### Chief Commercial Officer (CCO)

**Reports to:** Managing Director, PSEB

**Work Location:** Islamabad (requires occasional domestic travel and at times travel abroad)

**Maximum Age:** 50 years

**About the Role:**

CCO to hold a key senior management role in PSEB, heading revenue generation initiatives for the organization, and raising capital for Pakistan's IT & ITeS businesses through capital markets, investments initiatives, and by forming international affiliations. CCO will be responsible for driving and implementing revenue growth of the organization, and hold an instrumental role in creating future strategic plans with the goal of boosting revenue streams. Desirable candidate will possess experience of successfully developing and executing business strategy with proven track record of generating new revenue streams through products and services offerings, including digital products/platforms. The incumbent will be responsible for building partnerships with public and private entities to strengthen and diversify portfolio of PSEB's products and services.

The role will require ensuring capital availability for Pakistan's IT & ITeS businesses by formulating and leading the initiatives for raising capital through local and/or international investors, venture capital firms, private equity/hedge/sovereign funds, crowdsourcing, forging local and international affiliations/partnerships, and through enlisting IT & ITeS companies on the stock exchange.

The incumbent to actively engage relevant public and private stakeholders to improve policies and regulations, and to clear any hurdles being faced by IT & ITeS businesses in raising capital locally or at international level to grow their businesses.

CCO will also lead initiatives of the Technical department for the IT & ITeS sector, including bandwidth services, cloud solutions and digital products/platforms.

**Qualification & Experience:**

- Qualified [redacted] minimum 16 years of education from HEC recognized local or international university in business administration, innovation/entrepreneurship, or engineering/computer science. Master's degree in a related field, including but not limited to investment banking, investment management or technology management will be preferred.
- Minimum 10 years of demonstrable experience in diversified leadership roles, creating and executing business strategy with track record of generating new revenue streams through products and services development, including products/platforms, and building partnerships is required. Having strong understanding of finance, strategic management, investments, product development, and operations management Raising capital in venture capital or private equity functions and experience of enlisting organization(s) on the stock exchange will be beneficial. Relevant international experience, especially in corporate governance will be advantageous. Minimum three years of experience in relevant role is required.

### Chief Finance & Administration Officer (CF&AO)

**Reports to:** Managing Director, PSEB

**Work Location:** Islamabad (requires occasional domestic travel and at times travel abroad)

**Maximum Age:** 55 years

**About the Role:**

CF&AO to hold a key senior management role in PSEB, leading finance and operations of the organization including finance, accounts, human resources, administration, legal and government coordination etc.

The role will require a dynamic and experienced leader to head financial and administration management functions to build a progressive goal oriented and results driven organization that is financially and administratively optimized well-disciplined organization, capable of devising mechanism for attracting and retaining top talent, and building operational excellence.

The incumbent will be responsible for improving fiscal, budgetary and management policies, aligned with organization's financial goals and objectives, generating new revenue streams, and proactively pursuing funding sources.

CF&AO to provide strategic HR leadership, formulate HR policies, regulations and procedures, lead change management, establish best practices, implement and monitor performance against KPIs, create opportunities for learning and development, and align compensation and benefits to attract and retain top talent and build a highly motivated workforce. Ideal candidate must have a demonstrable track record of building high performance cultures based on efficiency, hard work, results and meritocracy.

The incumbent will be responsible for all administrative matters including tendering and procurement, assets management, transportation, security and operations of office facilities. Ensures strict compliance with Government of Pakistan's rules, regulations, policies and directions. Manages legal affairs of the organization, seeking legal assistance on business affairs and/or against any litigation arising during administration of contracts or operation of PSEB programs/projects etc. CF&AO will interact with relevant government authorities as and when required with regard to establishing linkages, exploring joint initiatives, and on matters related to regulatory, procurement, corporate, contractual, employment and any other matters.

**Qualification**

- Qualified [redacted] CA/ACC/ICMA/ICAF/CA or Masters Finance from HEC recognized local or international university, with strong understanding of finance, accounting and operations management.
- Minimum 15 years of experience in financial management and operations management, is required, ideally in progressive public sector enterprises and/or technology industry. Must have a minimum three years of experience leading the finance, human resource and operations management functions of organizations operating at national and/or international level, with multiple funding sources including self-generated revenues, government sources, and/or international multilateral organizations.
