14th August PAKISTAN Independence Day

Nation will celebrate its 78th year of Independence with traditional zeal and fervour, with commemorative ceremonies held in cities across the country. Pakistan has come a long way since its creation on 14th August, 1947. Against the odds we have managed to achieve so many great things including: World's First Muslim Nuclear State, World's Largest Irrigation Network, World's Largest Ambulance Network, World's Youngest Microsoft Certified Professional, World's Largest Man-Made Forest etc.

ICMA is also celebrating Independence Day with full fervour & national spirit by arranging nationwide activities on all its campuses through flag-hosting ceremonies, student contests, national song recitals and member get-together.

Karachi Branch Council welcome all the members along with their kids to celebrate Independence Day of Pakistan.
