National Budget Conference 2025-26

Dear Member,

The Federal Budget serves as a vital economic policy instrument through which the government outlines its strategic priorities. It reflects political commitments and policy goals, translating them into concrete decisions on revenue generation and the allocation of funds to key sectors.

To foster informed dialogue on the implications of the budget, ICMA Pakistan regularly organizes the National Budget Conference (NBC) for the professional community and society at large. This year, ICMA in collaboration with the Mir Khalil ur Rehman Memorial Society (Jang Group of Newspapers) is pleased to host the National Budget Conference 2025 on June 11, 2025, at Serena Hotel, Islamabad.
