

# Webinar on Transforming Management Accounting with AI: From Data to Strategic Insight

ICMA USA Branch Council and KSA Branch Council, in collaboration with the National CPD Committee, is organizing a webinar titled "Transforming Management Accounting with AI: From Data to Strategic Insight."

This engaging session will explore how Artificial Intelligence is reshaping the field of management accounting from automating routine processes to enabling data-driven, strategic decision-making. Participants will gain valuable insights into emerging AI tools, trends, and techniques that are redefining the future of finance and accounting.

## Distinguished Speaker:

### Muhammad Anwar
