

Discussion Forum For ICMA Accounting Practice in UK: Strategic Aspects Establishment, Operations, Development & Growth

Dear Members,

In recent times, a good number of our members have started their own practices. Staying updated allows accounting practices to integrate innovative technologies and methodologies into their services, thereby improving efficiency and client satisfaction. It positions them as forward-thinking and adaptable, traits that are highly valued in the competitive landscape of accounting. In this regard ICMA UK Branch Council in collaboration with Continuing Professional Development (CPD) Committee is pleased to organize a Discussion Forum for ICMA members on the topic named Accounting Practice in UK: Strategic Aspects - Establishment, Operations, Development and Growth.
