He is a Fellow Member of the Institute of Cost and Management Accountants of Pakistan (ICMA) and has hands-on experience with SAP Business One, Odoo, and QuickBooks.

> *"The CMA qualification is more than a professional credential, it is a pathway to becoming a strategic finance professional and future business leader. It strengthens your technical expertise, analytical thinking, business acumen, and decision-making skills. Your CMA opens the door; your knowledge, leadership, and professional integrity will determine how far you go."*
